In undertaking this risk assessment, the Board of Management of Killadooley N.S have endeavoured to identify the risks of harm that are relevant to this school and to ensure that adequate procedures are in place to manage all risks identified. While it is not possible to foresee and remove all risk of harm, the school has in place the procedures listed to manage and reduce risk to the greatest possible extent.

This risk has been completed by the Board of Management on 10/03/18.
It will be reviewed as part of the school's annual review of its Child
