Work at Home June 22th – June 25th.

Dear Parents,

I'll bet we are all looking forward to officially finishing school on Thursday – we even have a half day!!

You have all been very busy on Epic, with our total going up to 487 books this week, we might even reach 500 books before Thursday! Epic are continuing to provide access to the library on their site over the summer, and you should receive an email about this directly from Epic.

You can continue to read from Epic, and continue to select an activity from the attached activity sheet this week – no pressure! We have all worked very hard to keep learning going since March. If the weather is nice, get outside and have fun!

I have posted a couple of "days out" on the Seesaw app, a day at the beach, and a camping themed page. Please be sure to click on "View Original" to be able to access the links.

As usual I am contactable on mrshickey@killadooleyns.com, if you have any queries or questions.

I hope all of you have a fantastic summer holiday, and stay safe, see you all back in school in September!

Regards,
Máire Hickey.
